## OFFICE OF THE CITY COUNCIL

July 13, 2011

Historic Pueblo, Inc.  
P.O. Box 2386  
Pueblo, CO 81004

Dear Historic Pueblo, Inc.:

The City Council of Pueblo would like to thank Historic Pueblo Inc. for their tireless support of the City's Historic Preservation Projects and for helping expose long time residents and new arrivals alike to Pueblo's wonderful heritage and architecture. We applaud this excellent public-private partnership. We recognize that budgets are tight and that every dollar donated to a City project is difficult to part with for your organization.

We thank you specifically for your support during the South Pueblo Historic Study and look forward to the Bessemer Historic Context study and Pueblo Modern study.

Please accept our sincere thanks for all your hard work and financial contributions to City-sponsored projects that make Pueblo a better place to live.

Sincerely,

Ray Aguilera  
President of the City Council

Leroy Garcia
